(PRLEAP.COM) Roseville, Calif. September 1, 2008 —

Most of us know of at least one celebrity who is not only famous for being an actor but is also well known for being a pot bellied pig owner. There are several celebrities who own pigs or have owned pigs. However, not all pig owners are celebrities.

For one ordinary pot bellied pig owner, her families pot bellied pig, Bubbles, became more than just a pet but an inspiration for her first children's book.

Jane Ferguson or J.M. Ferguson, a writer in Roseville, California was inspired by Bubbles. Ferguson's first book entitled "Bubbles the Little Pig," is a children's picture book. "Bubbles the Little Pig" is available nationally and abroad and can now be found on Amazon, Target, Borders, Barnes & Noble, Hot Book Sale and Tower Books as well as several other on-line book sellers.

Bubbles was adopted by Ferguson and her husband. The couple researched owning a pig and eventually they found Bubbles through a rescue shelter called Pig Harmony in Acton, California.

"Bubbles the Little Pig" is the story of Bubbles outdoor adventure that begins once the gardener leaves the big red gate to the backyard open. Once out of her yard, Bubbles encounters other animals and visits different places but eventually little Bubbles finds her way home.

"I never thought that we would have a pig and having Bubbles has changed our lives" said Ferguson. "here will always be a special place in our hearts for pigs." Bubbles may not be a celebrity to anyone else but to Ferguson and her family, she is a star.

The book, while fictional, is based on a few real life events and people. And because Bubbles is a constant source of entertainment, it would be no surprise if Ferguson decided to write another story on Bubbles adventures.
